- Building energy audits
- Subsidised environmental audits and certification
- Calculating your carbon footprint
- Free university eco-innovation support
- Resource efficiency advice
- Food waste reduction advice and food carbon footprinting
- Community funded electric vehicle charge points

*This is a free drop in event – come whenever you like for as long as you like.*

*Welcome and introductions at 11.00, 12.00 and 1.00 for businesses and 2.30, 3.30, 4.30, 5.30 and 6.30 for residents.*

# FOR RESIDENTS

Find out about how you can take part in our projects to reduce both your own and Ambleside's carbon footprint.

Talk to us about:

- Free home heat loss surveys
- Home energy support from Cumbria Action for Sustainability
- Our project to help you install solar PV panels on your roof
- Installing solar PV on community buildings with the Big Solar Coop
- Calculating your carbon footprint
- Tree planting and maintenance, and plans for habitat restoration
- Lobbying for sustainable transport
- Influencing government climate policy
